

The Ivy Community Charities of
Prince George's County, Inc.

On the Front Line of Service

2020 Annual Report

Vision: The vision of The Ivy Community Charities of Prince George's County, Inc., is to be a premier provider of programs and services designed to strengthen families in Prince George's County, Maryland. As a result, Prince George's County, Maryland, will become a community of healthy, educated and economically secure families.

Mission: To empower youth and strengthen families by providing a comprehensive program, targeted services and long-lasting outcomes that will improve the academic, health, cultural and socio-economic status of youth and families residing in Prince George's County, Maryland.

Goal: Every child who participates in Charities' funded programs and services from elementary school through high school will be prepared for college and career.

Charities 2020 Highlights

DONATIONS

17 bicycles for our 5 adopted families

256 baby articles to the Eze family

37 children received 55 pairs of shoes for Christmas

5298 hot meals served on behalf of the County Executive's Office

1000 produce boxes provided for Thanksgiving in partnership with the County Executive's Office

27 scholarships

totaling more than \$45,000.00

132 middle and high school students participated in virtual STEM and college prep workshops via Zoom presentations
122 parents participated in virtual workshops to help them advocate for their children

SERVICE HOURS

28,712

COVID RELIEF

1000 lunches to front line hospital staff

110 masks for Bowie State University students and hospital staff

250 desserts for the front line

CONTINUED GROWTH

68 bricks purchased for the Ivy VINE Complex

Empowering Youth... Strengthening Families

Who we will become ...

The Prince George's County Council and Venture Philanthropy Partners (VPP) announced the continued expansion of its Ready for Work Nonprofit Capacity Building Initiative, an intensive three-year program and investment to strengthen nonprofits to better serve youth across Prince George's County, and help these students become college and career-ready adults. Ivy Community Charities was selected in 2020 as one of four nonprofits to participate in the third cohort – bringing the total number of Prince George's County nonprofits selected for the program to 11 organizations.

2020 Council Chair Todd M. Turner (D) stated “The Council is pleased to continue its support of the Ready for Work initiative for a third consecutive year. We welcome the opportunity to partner again with VPP and congratulate the new cohort of nonprofits selected to participate in this fiscal year.”

After eight months, Charities staff and Board Members had logged more than 140 hours of intensive training, staff development and coaching – all held virtually. As a result, Charities updated its Bylaws and financial operations to be more in line with best business practices. In addition, all volunteers who lead Charities' key programs including the Ivy League and ICC Scholars Programs, completed logic models to help Charities identify key elements in the development of the organization's evaluation plan that will lead to a better assessment of its program impact.

Strengthening Families is in our DNA (and our mission!)

The Eze Family Quintuplets

On June 25th, 2020, Patricia and Basil Eze welcomed five new members to their family: four girls and one boy. One week later when Charities was asked by the County Executive's Office of Community Relations to help provide items for the family, Executive Director Cheryl Petty Garnette and Charities' volunteer Serenity Amber Garnette dropped off bundles of love for each infant as well as their older sister. The items purchased included 144 onesies, 30 bibs, and 60 jars of baby food, 2 jars of Pedialyte, 12 boxes of baby cereal, 8 bath towels, 2- \$50 Target Visa gift cards and two dresses for the babies' five-year old sister.

Charities' Adopted Families

When it was clear that we would not be able to conduct our end-of-the year excursions for the Ivy League participants, Board Member Ferne Mosely immediately offered a solution – bicycles for the children of our Adopted Families. What we didn't expect was the immense demand for bicycles and the long delay in getting them after they were ordered.

However, bicycles were purchased and delivered to the 17 children of our five adopted families in July and August – just in time for the last hot and humid days of summer! The bicycles were purchased at A&M Cycle located in Bowie.

When Payless Shoe Source closed operations in the County in 2020, we claimed a new partner, JC Penney Stores. While it appeared that social distancing would deter our efforts, Shoe Bank Chair Linda Williams and her team developed a schedule for the families to come to the store and ensured that everyone wore a mask. To our delight, store workers donated \$200.00 to support the purchase of shoes for 32 children including the Adopted Family members and students from our Adopted School, William Beanes Elementary School.

Left: Cheryl and Serenity Garnette dropped off baby items for Prince George's County's quintuplets to Daphne Benbow-Doyle, Deputy Director of the Office of Community Relations in the County Executive's Office in July 2020. Right: Baby items were delivered to the Eze parents in September 2020. Phil Sardi of Sardi's Restaurant also delivered food and gift cards for the family.

Responding to COVID-19 – Service with a Smile

Lunch Line with Fun Time for the Front Line!

Board Vice President Kristi Holden led our team of volunteers as we provided lunch to 1000 front line workers at the three University of Maryland Health Centers located in Prince George’s County including Cheverly, Bowie and Laurel. Lunch included complimentary Rita’s ice treats, sandwiches from Subway and chips donated by Rosetta Wiley of Value Teachers. Despite the heat, some of the staff joined Shane’ Hargraves in Zumba routines. We were delighted to have the hospital Board Member Karmen Brown (wife of Congressman Anthony Brown) and Dr. Nathaniel Richardson, Jr., newly selected President and CEO of the Hospital Center, to join in the festivities.

PS, they want to know when we are coming back!

Stand Up and [Charities will] Deliver!

When we received the call from the Office of the County Executive to help with the newly created program to address food insecurities that were exacerbated by the pandemic, we had no idea what to expect. But that did not stop Sandra Boatman from jumping right in and spearheading this tremendous effort that took us all across the County. Each week, we purchased hot meals from local restaurants to be distributed at area churches, schools and other locations. During June Charities provided 2100 individuals with hot meals including chicken with vegetable options, rolls and salad and occasionally pizza and in July we provided 3198 individuals with hot meals. One June order included 250 desserts to front line hospital, Labcorp and Health Department staff for a total of more than 5500 individuals served over the first two months. Our efforts continued through Thanksgiving as Charities was commissioned to purchase 1000 produce boxes among the 7000 boxes and bags of produce, meat and dairy products that were distributed at FedEx Field. Charities also supported the County Executive’s Toys 4 Tots Initiative in collaboration with the Prince George’s County Police and Fire Departments. Approximately 16,000 families registered for the event held at Six Flags in Upper Marlboro, Maryland.

Empowering Youth and Parents ... in the Midst of the Pandemic

Ivy League Before ... and During

On February 1, 2020 the Sarah Wise Wooten Young Ladies Academy (SWWYLA) met at the Ivy Youth and Family Center for their monthly workshop. SWWYLA targets middle school girls and addresses science, technology, engineering, arts and mathematics (STEAM), self-esteem and character/team building. The topic focused on historically Black colleges and universities as a viable postsecondary option for all students. When it was clear that we were unable to meet physically after March, our volunteers quickly began the process of pivoting the activities to a virtual space.

The Institute for the Growth and Development of All America's Youth (GADAAY), which targets high school students, began the year at the Ivy Youth and Family Center working on science, technology, engineering and mathematics (STEM) activities and awareness of STEM careers. One of the activities that gained the interest of the students was transforming one of the workshops into a virtual book club for the students. As the pandemic increased, social justice alarms sounded and the pending election dominated the airwaves, the program topics shifted to address civic responsibility during an unsettling environment. Students shared their recommendations for working through the social unrest and the health concerns plaguing Prince George's County as the number of coronavirus infections continued to increase in our county beyond those in other nearby jurisdictions.

When the Parents on Track program was established, the intent was that parents would not just drop their students off but would remain at the Ivy Youth and Family Center and participate in workshops designed specifically for them. To our surprise, during the pandemic, the parents made sure that their students attended the virtual SWWYLA and/or GADAAY workshops and then logged on to the virtual Parents on Track workshop themselves. In fact, the number of parents did not decline during the pandemic and the parents reported that the topics remained relevant and worthwhile for them to attend the workshops even though they were home.

SWWYLA D.R.E.A.M. Girl Pledge

<i>I am a girl.</i>	<i>I can create something beautiful in all that I do.</i>
<i>I am an expression of beauty, joy, and love.</i>	<i>I deserve the best.</i>
<i>I have the right, the power and the ability, to create a beautiful, joyful and peaceful world for myself and others.</i>	<i>I give my best.</i>
<i>I have a body, but I am not my body.</i>	<i>I do my best to always take care of me!</i>
<i>I have a face, but I am not my face.</i>	<i>I am a girl.</i>
<i>I am the most important thing in the world to me.</i>	<i>I am growing into a woman!</i>
<i>I am love in motion.</i>	<i>I AM IT!</i>
<i>I am Dynamic Resilient Elite Accomplished</i>	<i>I am the joy the world is waiting for.</i>

HBCU for Life – Empowering College Students

Charities has consistently supported Historically Black Colleges and Universities and Prince George's County students who attend HBCU's. Approximately 60% of Charities members and volunteers are alumnae of HBCUs around the country. Throughout the year, volunteers hosted workshops for middle school, high school and community college students to increase their awareness of the history, value and need for HBCUs. In 2020 Charities increased its support at Bowie State University, the State of Maryland's oldest HBCU, which is located in Prince George's County, Maryland. Specifically, our involvement included the following accomplishments:

- Charities donated 100 masks to the University's homeless students who had no where to go when the campus officially closed due to the pandemic in March 2020.
- After receiving donations from Charities' members Chris Stewart and Lisa White at the end of 2019, Charities signed a Memorandum of Understanding in 2020 with the University to establish the Ivy Community Charities/Iota Gamma Omega Bowie State University Endowment Fund with a commitment to raise \$25,000 over five years (\$5,000 each year) when the funds will be transferred to the Bowie State University Foundation to be capitalized. A 2020 grant from Prince George's County At-Large Council Member Mel Franklin combined with the earlier donations provided the additional funding to meet our 2020 commitment of \$5,000.00.
- Charities joined with the Alpha Kappa Alpha Sorority, Inc. Iota Gamma Omega Chapter HBCU for Life Team to welcome students back to the fall 2020 semester by stocking the Bowie State University food pantry! More than 2,700 items were purchased and delivered to the Bowie4Life Pantry to help students in need. Donations included toiletries, cleaning supplies and personal items for male and female students.

Morgan St Alum! Any advice for our future Bear? Comment below!
@MorganStateU... See More

Applying for college can be a daunting task, especially for students who may be the first in their families to attend a postsecondary institution or who recently migrated to the United States. Known as #CAP, Charities offers workshops that prepare students and parents for the college experience. The program also pays the cost of college application fees for participating students.

Azariah Reid

Graduated from Bullis School

The Ivy Village Incubator for Nonprofit Excellence (Ivy VINE)

Prince George’s County is home to approximately 4,000 nonprofits and the nonprofit sector is the third highest employer in the County. However, nearly 85% of the County’s nonprofits are small organizations with less than \$25,000 in annual revenue. Our vision from the day that we purchased the property at 6118 Walton Avenue was to give back to the community and support our County by establishing a facility where emerging nonprofits would have office space, access to business resources, and training to help build their capacity to serve our youth and families. The Ivy VINE complex is designed to strengthen the economic power of nonprofits in Prince George’s County, particularly Black businesses that have been hardest hit by the recent pandemic.

In 2020, Charities secured the services of Redlef Group Architects, LLC, Black family-owned business located in Prince George’s County, Maryland to design the two structures that will serve as the hub for the Ivy VINE. The owner, Tenika Felder, is a graduate of Howard University and her father, the co-owner, is a graduate of Florida A&M University, both HBCUs.

While construction of the facilities is important, what goes on in the buildings is critical. The VINE will serve at the crossroads of innovation and destination – where entrepreneurs will find a space to create new ideas and synergistic business partnerships will be formed to address County needs. In 2020, a team of Charities volunteers led by Board Member Tanya Penny Woods began meeting to establish the Community Advisory Committee that will guide the criteria for selection of the nonprofits and entrepreneurs that will participate in the Ivy VINE. Groundbreaking of the Ivy VINE is tentatively set for September 2021.

Left: Architect’s 2020 rendering of the Ivy Village Incubator for Nonprofit Excellence (VINE) Training Center and Studio to be located at 6118-A Walton Avenue, Suitland, Maryland, will span approximately 2000 square feet to accommodate approximately 40-50 individuals in a training room and will include a podcast studio and telecommunications hub. Right: Architect’s rendering of the Ivy VINE Office Suites to be located at 6112 Walton Avenue, Suitland, Maryland to accommodate approximately 8-12 nonprofits with office space and training opportunities.

PRESENTING THE 2021 JEWEL GROUP CAPTAINS and CO-CAPTAINS

Funding the Ivy VINE Concept could be a challenge for any organization ... except Ivy Community Charities. The 36 women featured here have committed to leading the various fundraising initiatives to help us meet our \$2 million goal to build and furnish the training center and office suites within three years. We divided our members into strategic teams that we call Jewel Groups. The teams were launched in 2020 and, beginning in 2021, will roll out a host of creative and novel fundraising activities – starting off virtually and then moving into a physical space when it is safe to do so.
