

# Annual Report 2025

*Empowering, Strengthening, Building  
Since 1986*

**The Ivy Community Charities  
of Prince George's County, Inc.**

# Our Mission

To empower youth, strengthen families, and build generational success.

# Our Vision

To be a premier provider of programs and services designed to empower youth and strengthen families by providing comprehensive programming, leading to a sustainable quality of life for families residing in Prince George's County, Maryland.

# Impact At A Glance 2025

## Serving Youth & Families

**550+** students engaged in literacy programming

**220+** children supported with weekend food security

Elementary–High School students empowered through Ivy League

## Garnering Recognition

Maryland Science Center – Outstanding STEM Educator Award (Popcorn Club)

**\$2,000** awarded in educational supplies

## Building Nonprofit Capacity

**5** emerging nonprofits in training (Ivy VINE Cohort II)

**100%** of Cohort I graduates strengthened organizational capacity

**\$5,000+** in grant funding secured by Cohort I

## Financial Stewardship

**\$2.4M** total assets under stewardship

**3 YEARS** Standards for Excellence® Accredited

Transparent financial management supporting long-term sustainability

## Fundraising & Community Support

**\$43,000+** raised through signature initiatives

## Looking Ahead to Our 40th Anniversary

As we approach this milestone in 2026, your continued investment will enable us to serve more students, award additional scholarships, support more emerging nonprofits, complete our capital campaign, and strengthen our endowment for decades to come.

**Every dollar creates measurable impact.** Thank you for making generational success possible. Contact us at [info@iccpge.org](mailto:info@iccpge.org) | 301-702-7312 | [www.iccpge.org](http://www.iccpge.org).

# A Heartfelt Message from Our Board President

Dear Colleagues:

Your trust in our stewardship drives everything we do. This year, your generosity made extraordinary impact possible. Together, we raised more than **\$43,000** through innovative fundraising initiatives, including our inaugural **Virtual Derby Fundraiser**, our **30th Annual 5K Walk/Run**, and **Giving Tuesday**. These funds directly supported scholarships, program expansion, and our ongoing capital campaign for the Ivy VINE Training Center and Office Suites.

I am especially proud that we awarded more than **\$50,000** to 19 Prince George's County students this year. Behind every scholarship is a story—a student who dreamed of college, a family who believed in education despite financial constraints, and a community that invested in their future. Your donations made those dreams a reality.

Our financial position remains strong and stable. We ended 2025 with total assets exceeding **\$2.4 million**, including scholarship endowment funds that have grown to more than **\$400,000**. This financial foundation ensures sustainability while allowing us to respond to emerging community needs with confidence and agility.

This year, we celebrated our third consecutive year holding **Maryland Nonprofits' prestigious Standards for Excellence Accreditation**. Out of nearly 6,000 nonprofits in Prince George's County, fewer than 20 hold this distinction. This recognition is more than an award—it is a promise to you that every dollar, every donation, and every contribution is managed with the highest levels of integrity, transparency, and accountability.

As we look toward 2026 and the celebration of our **40th anniversary**, we do so with bold vision and careful planning. Thank you for your financial support. Thank you for your confidence in our leadership. Thank you for believing that together, we can build generational success.

Warmly,

Dr. Kristi L. Matthews

***Award-Winning Non-Profit Leader,  
Mentor, and Visionary***

**Cheryl Petty Garnette**

**Executive Director and Director of  
the Ivy VINE**

The Annual Report is an opportunity to reflect on our work and share the accomplishments of “Charities” with you. 2025 was a year of impact and connection. Our signature **Ivy League Program** continued the vital work of nurturing youth development from elementary through high school, while parents engaged in workshops provided by **Parents on Track** that equipped them with skills to effectively advocate for their children. The **Childhood Hunger Initiative Power Pack Program (CHIPP)** ensured no child faced weekend food insecurity. The **Shoe Bank**, in partnership with JC Penney, provided new shoes to students in need, restoring dignity and removing barriers to school attendance. And, through the **Sunshine Club**, we brightened the lives of senior citizens with companionship, support, and meaningful connections that combat isolation. Together, these programs embody our holistic approach to community care—meeting people where they are with compassion, resources, and hope.

The **Ivy Village Incubator for Nonprofit Excellence (Ivy VINE)** welcomed five exceptional nonprofit organizations into its second cohort. These organizations represent diverse missions and populations, but share a common commitment: to build organizational capacity that enables them to serve their communities with excellence, integrity, and impact. Thanks to continued state support and the vision of our legislative partners, we are closer to realizing our dream of providing emerging nonprofits with the physical space, resources, and training they need to strengthen their capacity to serve our community.

### **A Personal Thank You**

To our Board of Directors, staff, Ivy VINE coaches, volunteers, community partners, and the families we serve: Your collaboration, dedication, and trust make everything possible. The Ivy VINE metaphor reminds us that growth is organic, interconnected, and sustained through strong roots and healthy ecosystems. Together, we are cultivating that ecosystem—one where nonprofits thrive, youth excel, families strengthen, and communities transform.

With gratitude and determination,

Cheryl Petty Garnette

# Our Remarkable Board Members

Each board member personally invests in our mission because we believe deeply in the work we do and the community we serve. We govern with both our minds and our hearts, ensuring that every decision advances our mission while honoring your trust.

# A Year of Impact and Connection: 2025

In 2025, we celebrated incredible **success stories** alongside those we serve, fostering relationships and creating lasting impacts within our community through dedicated efforts and support.

# The Ivy Village Incubator for Nonprofit Excellence: Building Capacity for Impact

The Ivy Village Incubator for Nonprofit Excellence (Ivy VINE) represents our commitment to strengthening the entire nonprofit ecosystem. In 2024, we celebrated the graduation of our inaugural cohort of six nonprofit partners who completed two years of intensive capacity building. Two participating organizations earned Maryland Nonprofits Standards for Excellence® recognition. The results were outstanding:

- 100% of participants improved organizational capacity
- 100% secured grant funding exceeding **\$5,000**
- 100% would recommend the program to others

Building on this success, we welcomed **Cohort 2**—five exceptional nonprofit organizations committed to youth development, family strengthening, and community empowerment. Since September, these organizations engaged in monthly workshops covering nonprofit management, executive leadership development, and board development while receiving individualized coaching from experienced consultants.

The Ivy VINE isn't just about training—it's about transformation. It's about giving passionate nonprofit leaders the tools, knowledge, and confidence to build sustainable organizations that serve our community with excellence.

# Childhood Hunger Initiative Power Pack (CHIPP) Program

The Childhood Hunger Initiative Power Pack (CHIPP) Program addresses weekend and holiday food insecurity by providing nutritious "Power Packs" to elementary students at Title I schools. Through our partnership with Princeton Elementary School, we ensure that **220+** students in Pre-K through 5th grade receive weekend food packages that bridge the critical gap between Friday's last school meal and Monday's breakfast.

*Family Testimonial: "The Power Packs take so much stress off our family. I work two jobs, but it's still hard to make ends meet. Knowing my kids have food for the weekend means I can breathe a little easier. They love the snacks and can make their own meals when I'm working. This program is a blessing."*

**— Parent of 2nd and 4th Grade Students, Princeton Elementary**

# The Ivy League Program

## Popcorn Club

### Sarah Wise Wooten Young Ladies Academy (SWWYLA) Institute for the Growth and Development of All America's Youth (GADAAAY)

The Ivy League Program is a comprehensive, educational enrichment program designed to enhance academic performance, provide leadership skills, encourage community service and engagement, and enrich the cultural development of youth in Prince George's County. The Ivy League consists of three age-based youth programs and a companion parent support system.

## Ivy League Program: The Popcorn Club

Our **Popcorn Club** served **elementary** students across four Title I partnership schools — Allenwood Elementary, Andrew Jackson K-8 Academy, Rosa L. Parks Elementary, and St. Philip the Apostle Catholic School. Through monthly book parties, interactive read alouds, and cultural field trips, including a visit to the Publick Playhouse, we fostered a love of reading while driving measurable literacy improvements.

The Popcorn Club is the 2025 recipient of the **Maryland Outstanding STEM Educator Award** for supporting the Maryland Science Center as it fulfills its mission to inspire, empower, and engage students in STEM education. The Popcorn Club received **\$1,500**, as well as **\$500** for classroom supplies.

## Ivy League Program: Sarah Wise Wooten Young Ladies Academy (SWWYLA)

**SWWYLA** empowered **middle school** young women through hands-on STEAM programming, leadership workshops, and meaningful field experiences. Our participants tackled important topics including bullying, social media responsibility, and civic action, culminating in a powerful session with guest speaker, The Honorable Ingrid M. Turner, Maryland Circuit Court Judge.

# Ivy League Program: Institute for the Growth and Development of All America's Youth (GADAAY)

Through **GADAAY**, we equipped **high school** students with college and career readiness skills. Our programming combined practical skill-building with relationship development and mentorship.

## Parents on Track

### A companion Ivy League Program for Parents

Our Ivy League Program for parents engaged in monthly workshops that provided them with opportunities to bond with the shared goal of success for their children.

Ivy League Program Interest Form

# “I Kept Smiling”

## Building Confidence, One Program at a Time: Ryann's Story

At six years old, I was diagnosed with an intellectual disability. I didn't understand what that meant at first. I went to school like everyone else, but sometimes my words came out differently, or I struggled to answer questions quickly. Some classmates laughed, and others teased me. Some still do. However, I kept smiling.

Life was difficult in other ways too. Continued...

Continued.

My dad passed away when I was in second grade, my grandmother in fourth, and my grandfather in fifth. Middle school brought new challenges—COVID shut down schools, and at the same time my mom battled colon cancer. I was terrified that she might not survive. Even in my sadness and fear, I kept smiling.

Middle school helped me discover my true potential. I joined a program called the **Sarah Wise Wooten Young Ladies Academy (SWWYLA)**, where I earned the "Miss Acorn Award". That award meant a lot to me because it showed that big things can grow from small beginnings. It made me believe that I could do amazing things too.

During that time, I enrolled in a modeling school, acted in two plays, and was even featured on the cover of a magazine. Modeling and acting gave me confidence I never knew I had. When I was on stage or in front of a camera, I wasn't just a student with an intellectual disability—I was a star. I learned my lines quickly, spoke clearly, and felt proud of myself. Performing showed me that drama and modeling were more than hobbies; they were my passions and my way to shine.

High school has been more challenging. My GPA doesn't show all of my strengths, creativity, or hard work. Sometimes, teachers didn't always understand how I learn best. But I never gave up. I was inducted into "Top Teens of America" and became a part of the **Institute for the Growth and Development of All America's Youth (GADAAY)**. These programs helped me build leadership skills, serve my community, and believe in my own power to make a difference.

I have faced loss, illness, and an intellectual disability, but I always stand tall and smile through it all. With the right support, I know I can succeed in college. I'm ready to shine!

**Ryann** has been accepted to seven colleges, including: Coppin State University, Shaw University, Miles College, Lane College, Jackson State University, Talladega College, and Alabama State University.

"The supportive, affirming, and empowering environments cultivated through SWWLYA and GADAAY have been central to her ability to envision herself as college-bound and to articulate her story with confidence and pride." (Ryann's mother)

Ryann's journey is a testament to the positive impact our programs bring to the community. With the continued support of donors and partners, we aim to help youth like Ryann achieve their dreams and create lasting change in their lives.

# Educational Excellence and Scholarship

The annual **Ivy League Awards** ceremony held on June 7, recognized and celebrated the achievements of the Ivy League Program participants. These awards promote leadership, academic success, and community involvement.

# Educational Excellence and Scholarship

## 2025 Scholarship Recipients: Investing in Prince George's County's Future

The Ivy League Awards ceremony also included the awarding of scholarships to students pursuing higher education. This year we awarded over \$50,000 to 19 scholars.

Our 2025 scholarship recipients represent Prince George's County Council districts, ensuring equitable access to educational support across our community.

Students were selected through a comprehensive review process that considered academic achievement, community service, and leadership potential. Each applicant demonstrated a commitment to excellence, resilience in overcoming challenges, and a vision for using their education to give back to their communities.

These 19 scholars evidence not just individual achievement, but the collective investment of an entire community — donors, volunteers, mentors, and families — who believe in the power of education to transform lives and build generational success. They carry forward a legacy of excellence that spans three decades and over \$750,000 in scholarship support, and they remind us that when we invest in our young people, we invest in the future of Prince George's County.

# Shoe Bank and Family Strengthening

## *They Inspire Us*

### **Shoe Bank: Walking with Dignity**

In partnership with JC Penney in Forestville, our Shoe Bank provides new shoes to students in need, removing barriers to school attendance and restoring dignity one pair at a time. Every child deserves to walk into their classroom with confidence, and our Shoe Bank ensures that financial constraints never stand in the way of a student's education and self-esteem.

### **Family Strengthening: Meeting Families Where They Are**

Our Family Strengthening initiatives embody our holistic approach to community care. From Thanksgiving baskets delivered directly to homes, to Angel Trees providing gifts for children, to Fill-It-Up Bags packed with food and essential items, we support families during moments of both celebration and need. These programs recognize that strengthening families means addressing practical needs with compassion, dignity, and hope — creating stability that allows children and parents to thrive together.

**Together, these programs demonstrate our commitment to the whole family—because when families are strong, communities flourish.**

# Your Support Made 2025 Unforgettable!

## 30th Annual 5K Walk/Run

From the high-energy Zumba warm-up to the enthusiastic community vendors, your presence made the day! Thanks to you, we raised more than **\$19,000** to support mental health awareness, the fight against childhood hunger, and other vital community programs across Prince George's County!

**Your generosity continues to be the heartbeat of our mission.**

# Virtual Derby Fundraiser and Giving Tuesday

**Racing Toward Impact!** From May 1–15, 2025, Charities launched its first-ever Virtual Charities Derby Fundraiser. With a creative twist, participants donated based on their birthday month, each named after a legendary horse racing champion. Teams competed to raise the most funds, with the winning team earning a coveted trophy to display until the next year's campaign.

The inaugural event raised more than **\$15,000**, demonstrating our community's commitment to supporting programs that change lives.

**Give Where You Grow.** On December 2, 2025, we invited our community to "Give Where You Grow" on Giving Tuesday—the global day of generosity. Through an online giving campaign and an in-person celebration at Milk & Honey restaurant in Camp Springs, supporters came together to invest in the future of Prince George's County's youth and families.

The response was overwhelming, raising more than **\$9,000** toward our Ivy VINE capital campaign. The evening celebration brought together donors, volunteers, board members, and community partners to share food, fellowship, and a collective vision for generational success.

**Together, these two innovative fundraising initiatives raised more than \$24,000, demonstrating that when our community comes together—whether virtually or in person—extraordinary impact becomes possible.**

# Financial Snapshot

## Income Summary

# Looking Forward

## Celebrating 40 Years of Service

The Ivy Community Charities of Prince George's County, Inc., stands as a testament to what is possible when a community comes together around a shared vision of excellence and empowerment. This annual report represents the collective efforts of our board, staff, volunteers, partners, and community supporters. As you can see, we have much to be grateful for this year. As we close 2025, we look forward not only to another year of service, but also to celebrating 40 years of impact in Prince George's County.

We thank you! Together, we are building a legacy of excellence that will benefit Prince George's County for generations to come.

**Consider Ivy Community Charities in your annual giving!**

**United Way NCA Donor Designation Number – 9331**  
**Maryland Combined Campaign (MCC) – 52-1515992**
