*"BLESSED IS SHE WHO HAS BELIEVED THAT WHAT THE LORD HAS SAID TO HER SHALL BE ACCOMPLISHED."  
LUKE 1:45*

How our members define our work:

January 2022

Greetings!

In November of last year, The Ivy Community Charities of Prince George's County, Inc. (Charities) celebrated 35 years of service to the residents of Prince George's County, Maryland. THANK YOU, THANK YOU, THANK YOU to everyone who made our 35<sup>th</sup> anniversary year a year to remember!

On November 14, 1970, the Iota Gamma Omega Chapter of Alpha Kappa Alpha Sorority, Inc. was chartered as the first African American fraternal organization in Prince George's County. For the next 15 years, the Prince George's County community was very generous in donating to the many fundraising activities sponsored by the chapter to help provide programs of service to the residents of the County. In 1985, the fourth president of the chapter, Mrs. Erma W. Barron, envisioned the creation of a non-profit foundation as a means of giving back to the community for their generous support by establishing a 501 (C)(3) organization which would allow for tax deductible donations and new opportunities to seek public and private grants.

Under her leadership, Ms. Barron established a year-long process to prepare the application and created an educational process for the chapter members on how this type of organization would work and benefit both the chapter and the community. A year later in 1986, the Alpha Kappa Alpha Community Charities of Prince George's County, Inc. was chartered in the State of Maryland. The name was changed in 1999.

Since that time, each of the following Presidents of Charities made great contributions to our growth from organizational development, introducing new programs and services and establishing new partnerships while strengthening the collaboration and operational relationship with the Iota Gamma Omega Chapter of Alpha Kappa Alpha Sorority, Inc.: the late Louise L. Brown, Oretha Bridgewater-Simms, the late Gloria McCollum, Cheryl Petty Garnette, Carolyn N. Pinckney, Kathy Keys Waymmann, Ingrid Harrison, Saran T. Baker, and Deidre Jackson.

Today, the Iota Gamma Omega Chapter has grown from 24 to 574 members, all of whom are also members of Charities which has total assets of over \$2 million. These assets include the Ivy Youth and Family Center and the Ivy VINE (Village Incubator for Non-Profit Excellence) Complex which will include two additional buildings – a smart conference center and a building of office suites which will allow additional nonprofits to access training and networking to help them reach their full potential.

This year's annual report highlights the significant progress we made this year, not only in terms of the variety of services we provided the County residents, but also the intentional capital campaign goals and accomplishments that will ensure the timely completion of the Ivy VINE Complex.

Again, THANK YOU, THANK YOU, THANK YOU, for your continuous support!

Sincerely,  
  
Cheryl W. Owens, President

January 2022

To the Board of Directors, Charities' Members and Community Partners:

We are excited to bring you this 35th issue of The Ivy Community Charities of Prince George's County, Inc.'s (Charities) Annual Report! My journey with Charities began in 1998 as the 8th President of the Iota Gamma Omega Chapter of Alpha Kappa Alpha Sorority, Inc., and the 6th President of Charities. I have continuously served on the Board since that time – first as President followed by seven years as Immediate Past President and then as the third Executive Director, a position that I have held with pride since 2008. I certainly never expected to hold the title of the longest consistent Board member in the organization's history with 23 consecutive years of service!

What I also never expected was the overwhelming accomplishments that we achieved in this our 35th year! As this report will document, with the support of the Board of Directors, members and community partners including the Office of County Executive Angela Alsobrooks, the Prince George's County Council, Venture Philanthropy Partners/Fair Chance, Nonprofit Prince George's County, and numerous others, we exceeded every goal that we set even in the midst of a global pandemic. Although there were challenges, we did not allow them to overshadow the potential and the opportunities that would catapult us to ultimate success.

Our theme during 2021 was "Building ... Leading ... Serving." Separately the first letters in our theme represent the strength of our organization to build its capacity, be recognized as a leader among nonprofits, and effectively serve our residents. But taken together, the letters BLS represent our mantra that is based on the scripture found in Luke 1:45: "Blessed is she who believes that what the Lord has said to her shall be accomplished!" Since 2011, Charities' building and property committee has begun every weekly meeting reciting this scripture because it has been the basis of our trust in what we can and will do on behalf of the citizens of Prince George's County, Maryland.

I extend my heartfelt appreciation to President Cheryl W. Owens, the Board of Directors and the 757 members of Charities who supported me as the servant leader of this phenomenal organization. I look to the future with eager anticipation as we develop new programs, enhance our services, and cultivate more partnerships to empower youth and strengthen families in Prince George's County!

Sincerely,

Cheryl Petty Garnette  
Executive Director

# Strengthening Our Capacity to Serve Youth and Families ...

The Prince George's County Council and Venture Philanthropy Partners (VPP) announced the continued expansion of the Ready for Work Nonprofit Capacity Building Initiative, an intensive three-year program and investment to strengthen nonprofits to better serve youth across Prince George's County, and help these students become college and career-ready adults. Charities was selected in 2020 as one of four nonprofits to participate in the third cohort – bringing the total number of Prince George's County nonprofits selected for the program to 11 organizations.

Since participating in the Ready for Work program, Charities staff and Board Members have logged more than 240 hours of intensive training, staff development and coaching – all held virtually. As a result, Charities updated its administrative, program and financial operations to be more in line with best business practices. In addition, all volunteers who lead Charities' key programs including the Ivy League and ICC Scholars Programs, completed logic models to help Charities identify key elements in the development of the organization's evaluation plan that will lead to a better assessment of its program impact.

## PROGRAM STRUCTURE

A youth enrichment program designed to motivate, engage, and assist high school students in reaching their maximum potential.

Throughout the year, Prince George's County High School students focus on academic enrichment and life skills training to support their journey to college, technical education or employment.

### ELIGIBLE PROGRAM PARTICIPANTS

Students in grades 9-12 who attend a public or private school in Prince George's County, MD.

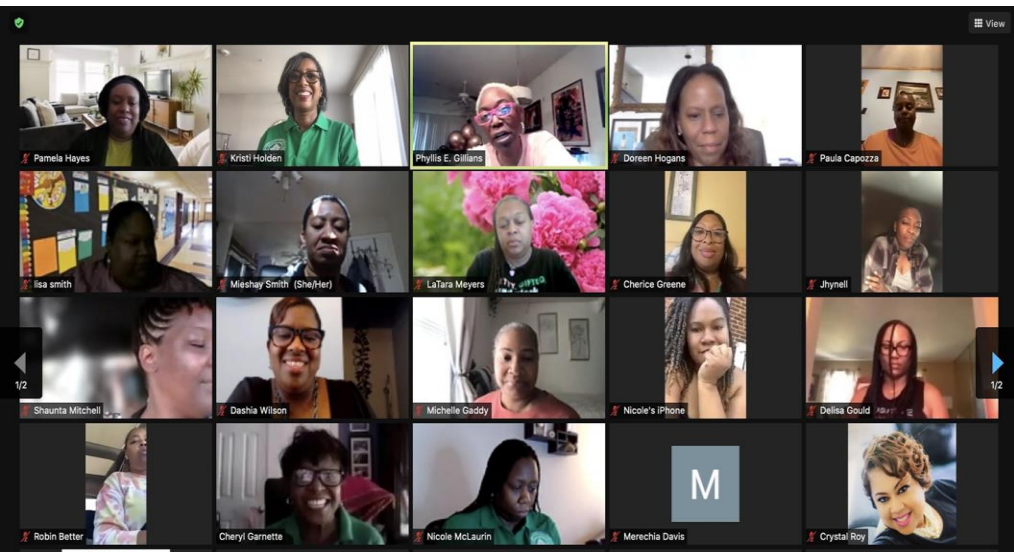

**Popcorn Club:** With a goal to help improve reading scores through fostering a love of reading among elementary students, in 2021 the program provided reading enrichment for the 60 first graders at William Beane Elementary School in Suitland, Maryland.

**Sarah Wise Wooten Young Ladies Academy (SWWYLA)** targets middle school girls and addresses science, technology, engineering, arts and mathematics (STEAM), self-esteem and character/team building. Twenty girls participated in SWWYLA during the year.

To our surprise, the number of parents did not decline during the pandemic and the parents reported that the topics remained relevant and worthwhile for them to attend the workshops even though they were home.

# 1 HEART SERVES 1000'S

Over 1.1 million seniors received hot meals and/or fresh produce through the Stand Up and Deliver Program. Charities was selected as one of three of the County's nonprofit purchasing agents to support the delivery and distribution of meals and produce throughout the County. **Sandra C. Boatman** was the first person to answer the call for help. "I can't let you do another thing," she told Executive Director Cheryl Petty Garnette. Sandra immediately took charge, contacting the restaurants that prepared the food to ensure that they knew the menu, date, time and locations of the deliveries. After checking with the restaurants, she contacted the distribution sites – churches, schools, community centers, etc. to be sure that they were aware of the delivery and distribution times and had adequate volunteers and law enforcement staff on hand to effectively manage the hundreds of cars that lined up to receive the food items. Sandra made it a point to attend every distribution site, perhaps only missing one since Charities became a partner in 2020. Sadly, Sandra was diagnosed with glioblastoma, a rare and aggressive brain cancer, and passed away in December 2021.

Dear distinguished members of the Ivy Community Charities of Prince George's County,

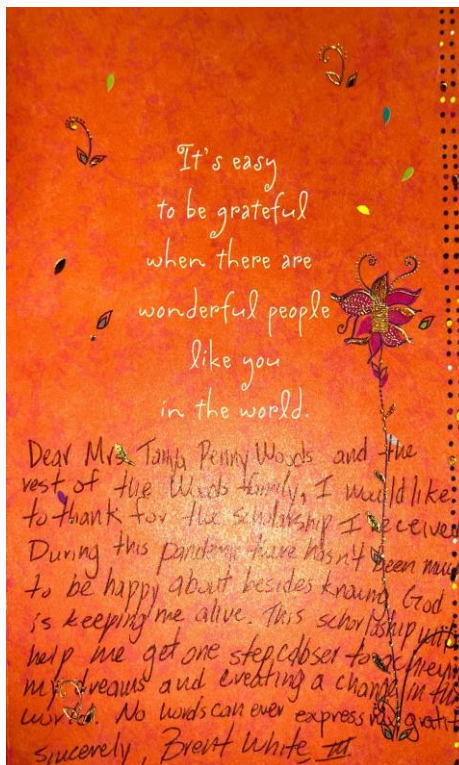

On behalf of the students, community, staff and administration at William Beanes Elementary School, thank you for your contribution and support of our School efforts. Your participation as a partner enables us to meet several of our goals for the year, which includes increasing attendance rates and decreasing disciplinary referrals.

Providing shoes for our scholars will not only make a difference to scholars in need, it will increase their self esteem while also alleviating the financial burden on parents. Special thanks to Ms. Linda Williams for all of the time she gave to coordinate the Shoe Bank event.

Thank you again for partnering with William Beanes Elementary School. The contributions from your organization will make a positive impact on the education of our students. We look forward to continued success through this collaboration!

Sincerely,

Dana V. Tutt, Principal

Dear Judge Ingrid Turner, and The June Turner Family,

I hope this letter finds you and your family well. I am sending this letter to say thank you for donating my scholarship award to The Ivy Community Charities. I live in a single parent household, just me and my mother. With one income, affording college is difficult. With your donation, that process is becoming easier. The words "thank you" will never fully encompass the magnitude of my gratitude for what you have done. You will never truly understand how much this award means to me and my family. My family and I are extremely grateful to you and your family for sowing seeds into the community so students like me can have a chance at a college education.

Thank you so much again,  
Imani West

Dear Mrs Cheryl Betty Barette,

I would like to say a special "Thank You" to you for thinking enough of me to honor me with the Executive Director's George Lloyd Memorial Book Scholarship. This award will help me to further my academic endeavor.

Again thank you for blessing me and may God continue to bless you as you help other young people like me.

God Bless

# Paying it forward: The Ivy Village Incubator for Nonprofit Excellence (Ivy VINE)

Our vision from the day that we purchased the property at 6118 Walton Avenue was to give back to the community and support our County by establishing a facility where emerging nonprofits would have office space, access to business resources, and training to help build their capacity to serve our youth and families.

The Ivy VINE complex is designed to strengthen the economic power of nonprofits in Prince George's County, particularly Black businesses that have been hardest hit by the recent pandemic.

While construction of the facilities is important, what goes on in the buildings is critical. The Ivy VINE will serve at the crossroads of innovation and destination – where emerging nonprofit leaders will find a space to create new ideas and synergistic business partnerships will be formed to address County needs.

The 36 women featured here committed to leading the various fundraising initiatives to help us meet our \$2 million goal to build, equip and implement the Ivy Village Incubator for Nonprofit Excellence Training Center and Podcast Studio as well as the Ivy Village Incubator for Nonprofit Excellence Office Suites over the next three years. We divided our members into strategic teams that we call Jewel Groups. The teams, which began in 2021, carried out 22 creative and novel fundraising activities – all held virtually and exceeded our first-year goal of \$100,000 within the first six months of 2021!

# An Investment Strategy Aligned to Service

Although Founding President Erma W. Barron donated \$500.00 to establish a scholarship fund at Charities' 25<sup>th</sup> anniversary ten years ago, it was not until then Council Member Ingrid M. Turner contributed \$25,000 the next year that we recognized that we were on a new path to meet the future needs of the organization. By the end of her term on the County Council, Ms. Turner had donated \$55,000. In addition, upon the death of her mother, the Turner Family established a scholarship endowment in her honor through Charities. Charities' first Executive Director, Mary Ray Thompson left a \$50,000 contribution in her trust to Charities, a portion of which the Board of Directors used to establish a scholarship endowment in her name and the balance was used to excel Mrs. Thompson as the first individual Emerald Capital Campaign donor. Former Council Member Karen Toles established an endowment to support the students in the County's District 7 with more than \$30,000 and upon the completion of her term as President of Charities, Saran T. Baker established a fund to support students aspiring to attend her alma mater, Virginia State University, in 2018. In 2020, Cynthia Williams established an endowment in memory of her mother, Mrs. Fannie Williams, and in 2021, Lisa White established the eighth endowment in Charities' portfolio.

In addition to the scholarship endowments, Charities' 2019-2022 Strategic Plan called for setting aside reserve funds that over time would meet the expenses of all our scholarship, program, capital improvement and "rainy day" needs. Over the years with the sound investment strategies that we employed under the watchful study of our Morgan Stanley Smith Barney consultants and Finance Director Sharon Allen, our portfolio consistently grew and totaled \$412,000 at the end of 2021.
