The Ivy Community Charities of Prince George's County, Inc.
2011 Annual Report
January 2012

Silver Anniversary Edition

The Ivy Community Charities of Prince George's County, Inc. (Charities) was established in 1986 by the Iota Gamma Omega Chapter of Alpha Kappa Alpha Sorority, Inc., to support the educational, charitable, cultural and general welfare of economically and socially disadvantaged residents of Prince George's County, MD. Our services address education, health, the family, leadership development and cultural enrichment.

MESSAGE FROM THE PRESIDENT AND EXECUTIVE DIRECTOR

Dear Board of Directors, Members and Supporters:

Ingrid S. Harrison
President

As President and Executive Director of The Ivy Community Charities of Prince George's County, Inc. (Charities), we are proud to present this *2011 Annual Report* in celebration of our 25 years of service to the citizens of Prince George's County, MD. We are particularly grateful to the former Presidents of Charities, pictured on the cover of this report, who established, fostered, championed, sustained and maintained the organization since 1986. We also recognize the life-long contributions of Mrs. Mary Ray Thompson, who served as the first Executive Director of Charities and was one of our most generous supporters until her death in September 2011.

Over the past quarter of a century, we have made a significant impact by filling the educational and social gaps created by a changing economic environment. At the same time, we recognize that much is expected of an organization blessed with the talents and resources of more than 500 member volunteers. Confronted with the fact that Prince George's County students lag behind their peers in the Washington area in education; the county has the highest incidence of HIV-AIDS patients including youth in the country; and the number of children living in poverty per capita exceeds those of any other jurisdiction being served by nonprofits - the challenges are clear. Nevertheless our programs have proven to be responsive to the needs of the community. Our Popcorn Club tutoring program has helped students in elementary school improve their grades from D to honor roll status. A middle school girl who ran away from home and was reported on the national news returned home and, as a member of our mentoring program, received the counseling that she needed and is now a scholar in high school. We have supported nearly 40 students each year with scholarships who did not have the finances to attend college. Although the media continues to focus on the crime and corruption in our county, we are determined to help our youth and their families overcome poverty and disenfranchisement so that they can become productive citizens of our county and our nation.

Cheryl Petty Garnette
Executive Director

As we embark upon the next two years of this administration, we will focus our priorities on increased monitoring of the impact of our programs in the county. We will strengthen relationships with our partners across the Washington area and identify additional collaborative efforts. Most importantly, we will aggressively increase our capital campaign to acquire a much-needed facility to better serve our community and to more effectively manage our business.

We, along with the members of Charities, are committed to our purpose and to finding the best way to help the citizens of Prince George's County improve their lives. We extend our sincere and wholehearted gratitude to the members of the Board of Directors, the Ivy Youth and Family Center Strategic Planning Team, our members and supporters for believing in the mission and for having the insight to believe that what we do will impact generations to come.

Remembering our
First Executive Director
Mrs. Mary Ray Thompson
MARCH 27, 1927 - SEPTEMBER 9, 2011

The Ivy League: Tutoring and Mentoring At Risk Youth

Elementary School

The **Popcorn Club** provides a happy and engaging environment where children in the first through sixth grades can come to receive help with their homework and improve their reading skills. Every Monday through Thursday, Charities' volunteers provided tutoring for approximately 25 young residents of the Overland Gardens Apartments in Hyattsville, MD, that houses more than 400 low to moderate income families. In addition to tutoring and homework assistance, Charities provided periodic field trips to cultural and academic settings. Charities also partnered with Longfields Elementary School in support of its **Men of Tomorrow** after school program by providing program attire and tools for school. In 2011, Charities provided \$995 to purchase shirts for the young men as well as backpacks of school supplies.

Middle School

The **Emerging Young Leaders (EYL) Program** strives to encourage positive self-imagining, develop leadership skills and promote positive community involvement among middle school girls. The program targeted students in the Suitland community, however, middle school girls were recruited from across the county. In addition to monthly workshops and field trips, a summer weekend retreat was held for nearly 50 youth at Camp Deep Creek in Accident, MD funded by a grant from County Council Member Karen R. Toles.

High School

The **Institute for the Growth and Development of All of America's Youth (GADAAY)** provides the opportunity for high school students to enhance and cultivate their academic, social and leadership potential through educational workshops, cultural activities and community service projects. Topics included financial management for teens, college essay and resume writing, public speaking and team building, and developing social media etiquette. As Fellows of the Ivy League, GADAAY students also participated in community service projects.

Parents

In 2011, we re-instituted the **Parents on Track** Initiative to complement the work that we had successfully administered with our youth. Rather than dropping their children off at the monthly workshops, we encouraged parents to participate in workshops designed to address their specific issues and concerns about parenting. Professionals representing a wide range of expertise shared their wisdom, experiences and resources with our parents.

Jessica lives in a housing complex with her brother and mother. Her father is in prison and her mom suffered from alcohol dependency. Her brother was a member of our reading enrichment program for elementary school students. Jessica learned about our program for teens from her brother and asked her mom about attending. Because her mom did not drive, members of our organization arranged for her transportation to the mentoring workshops. As a senior in high school, Jessica learned about our Cotillion program. Recognizing that she did not have the funds to participate on her own, the members of Charities rallied around Jessica and her family to purchase her dress and all of the necessary accessories. During the same year, Jessica was one of 40 students awarded a \$1,000.00 college scholarship from our organization. She completed her second year of college in 2011.

*"You gave my daughter the dream that she hoped for. We will always be thankful for Ivy Community Charities!"
Jessica's Mother*

Awarding Scholarly Achievement

Charities awarded *Scholarships for Aspiring Students* in Prince George's County based on merit or need. In 2011, Charities awarded **26 scholarships** to high school students and **five scholarships** to continuing college students on the basis of need for a total of **\$47,925.00**. Charities received grants from the Offices of County Council Chair Ingrid Turner, County Council Member Karen R. Toles, and County Council Member Leslie Johnson for a total of \$8,000.00 that provided seven students with scholarships.

Encouraging Healthy Lifestyles

Charities held its annual 5K Walk/Run/Dance for the Health of It, hosting more than 200 participants including County Executive Rushern L. Baker, III, at the Watkins Regional Park in Largo, MD. Representatives from national and local health organizations provided free counseling and resource materials. Youth volunteers received community service credit hours. We used the opportunity to announce our contribution of \$2,500 to national and local health organizations to encourage community awareness and public support of health issues that especially affect the African American community including the National Kidney Foundation, Be The Match Foundation of the National Marrow Donor Program, American Heart Association, Breast Health, and Autism Speaks.

Serving Families

Charities supported nine families headed by single mothers by providing them with new shoes, clothing, and food for the holidays, including items for breakfast and dinner. In addition to these basic needs, Charities offered our **Adopted Families** counseling and employability skills to help the mothers and their teenage children reach a level of economic independence. During the holidays, we partnered with the Mall at Prince George's to set up an Angel Tree on behalf of our families. Mall patrons donated gifts, including games and educational toys, or cash that were provided to the four families. A total of 60 gifts were delivered for the holidays. In addition to our adopted families, we donated clothing for children and women to the **Family Crisis Center of Prince George's County** for victims affected by domestic violence.

Since its inception, Charities' **Shoe Bank** has provided new shoes and socks to hundreds of youth across the county. Although our targeted seasons for supplying shoes are Back to School and Christmas, churches, schools and social service organizations can notify us of clients who are in need of shoes any time during the year. Through our **Tools for Schools** initiative, we provided 110 backpacks of school supplies to county residents in time for the opening of school. Our adopted families, Ivy League participants and Men of Tomorrow students received the backpacks.

Honoring the Elderly

Each month members of Charities, known as the **Sunshine Club**, provided assistance to the **Elderly Residents** of the Forestville Health and Rehabilitation Center by playing games, reading, singing, and providing manicures. We recognized the residents' birthdays, treated them to a special Black History Month celebration in February and conducted a piano concert by student musicians in the spring. Toiletries and other personal products are provided to the residents as needed.

Support for the Cultural Arts

Charities served as a sponsor of the **12th Annual Harlem Renaissance Festival**, a unique program established in Prince George's County to recognize the revitalization of the arts. The free event featured an array of activities for all ages, including health screenings, book signings, musical artists and dynamic panel discussions on topics pertinent to improving the quality of life for Prince Georgians. Approximately 15,000 people attended the annual event.

As funds for the arts in schools were reduced, Charities held its annual **Summer Arts Camp** at the Overland Gardens Community Center for the children residing in the apartment complex. The camp targeted elementary school students and was designed to help the youth explore creative arts in their neighborhood. Similarly our Popcorn Club students participated in **A Family Literacy Day at the Theatre** held at the Atlas Performing Arts Center in Washington. Students attended the play, *Mirandy and Brother Wind*, met the cast after the show and received gift bags that included the book of the same title. The field trip was underwritten by the Foundation for the Advancement of Music and Education (FAME) and co-sponsored by the Prince George's County Reading Council.

In 2011, Charities held its **17th Annual Cotillion~Beautillion** at Martin's Crosswinds. Although the event helped to provide the financial resources to support our community outreach activities, it also served as a cultural enrichment program to introduce high school juniors and seniors to society by providing training in social manners and etiquette.

Restoring the Economy

Understanding the economy is the first step in turning our financial challenges around. Charities hosted its first **Economic Empowerment Fair** at the Mall at Prince George's in order to offer our services and local resources to consumers directly where they shop. We partnered with area businesses, federal agencies and entrepreneurs to provide critical information through 15-20 minute presentations over four hours. We partnered with the Prince George's County Hispanic Chamber of Commerce, which provided an interpreter to convey the information in Spanish. Gift cards were awarded to patrons every hour. The event was hosted by WHUR's Taylor Thomas, who is a member of Charities.

THE IVY YOUTH AND FAMILY CENTER - A CAPITAL CAMPAIGN

"Blessed is she who believes that what the Lord has said to her will be accomplished!" Luke 1:45

Charities implemented an aggressive capital campaign to acquire the **Ivy Youth and Family Center**, a facility that will meet the needs of the citizens whom we serve across the county. The Center will house our administrative offices, meeting spaces, classrooms and a multi-use room. Other social service agencies will be invited to share our facility where we can provide a one-stop venue of comprehensive services for the community. Charities was successfully awarded bond bills from the State of Maryland to match its acquisition efforts up to \$500,000.00. We are grateful for the support of the following legislators in this effort: Former State Senator Gloria Lawlah; Delegate Carolyn Howard; and State Senator Joanne Benson. Through its fundraising activities, Charities has secured more than \$200,000.00 held in an investment portfolio. The fundraising strategies employed in 2011 are presented below.

Individual Contributions

The primary financial commitment to the Ivy Youth and Family Center rests with the members of Charities. We want to particularly acknowledge our Diamond Donors who contributed \$10,000.00 or more over the past 12 years of the capital campaign: **Dr. Shirley Jackson, Mrs. Beatrice Marshall, Mrs. Mary Ray Thompson (posthumously) and Mrs. Gloria Lawlah Walker**. The Diamond Donors were honored at our 25th Anniversary Awards Gala in December; Mrs. Marshall was unable to attend the event and Mrs. Thompson's award was accepted by her granddaughter. All of the contributors to the Ivy Youth and Family Center from the start of the campaign in 1999 to the present are listed in this report.

Support from Local Businesses

We established several new partnerships in 2011 in addition to the collaborative efforts that have made us successful over the past 25 years. We are indebted to the businesses that supported both our programs of service and our capital campaign efforts. Our partners are listed on the inside back cover of this report.

Our special thanks to Zanielia Harris of Harris and Harris Wealth Management and Cassandra Rempel, Owner of Simply Soles for planning and hosting our First Shoe Extravaganza at the National Harbor in December.

The Jewel Group Initiative

Recognizing that teamwork is one of the most effective strategies for any type of success, we organized our members into 18 teams known as Jewel Groups with the stated mission to leverage their talents, skills and interests to identify new and innovative fundraising strategies, including yard sales, stay-at-home tea parties, theatre and restaurant outings, floral sales, etc. As a result of the efforts of the phenomenal Jewel Group Leaders and the commitment of their members, we were able to raise more than \$50,000 in six months. This success did not come without its challenges, however, we applaud the ingenuity and persistence of our members to use “any financial means necessary” for the cause of the Ivy Youth and Family Center.

FINANCIAL HIGHLIGHTS

Charities remains on a firm financial footing. In 2011, we continued our successful fundraising efforts including the Annual Fashion Show and Scholarship Luncheon at Martin's Crosswinds in Greenbelt, MD; the Annual Cotillion~Beautillion also held at Martin's Crosswinds; and the Annual 5K Walk for the Health of It at the Watkins Regional Park in Kettering, MD. In addition, we added a new event, Prince George's County Men Can Cook, which was held at the Glenarden Municipal Center hours before Hurricane Danielle struck the Washington area.

CONTRIBUTING TO CHARITIES

Charities gratefully accepts contributions from individuals and other philanthropic organizations. Contributions may include cash contributions, bequests, life insurance policies, trusts, corporate service matches and appreciated property. Donations can be made at www.iccpqc.org. Donors should indicate whether funds are contributed in support of the Ivy Youth and Family Center Capital Campaign or to community outreach initiatives.

In 2011, Charities received a contribution from its Founding President, Mrs. Erma W. Barron, to establish its second Scholarship Endowment. The first scholarship fund was a \$25,000.00 award to establish the District 4 Scholarship Endowment Fund in 2010, thanks to the generosity of Prince George's County Chair Ingrid M. Turner, District 4. The funds were received in 2011 with full endowment and will be used to provide scholarships to students residing in District 4 of Prince George's County.

Men of the Ivy Levels

In 2011, we instituted the **Men of the Ivy** contribution levels to acknowledge the distinguished men of the community who contributed to the capital campaign at the \$500.00 (Bronze) and \$1,000.00 (Silver) levels. The first contributor was Mr. Allen Jackson at the Silver Level (\$1,000.00). The men were recognized at our 25th Anniversary Awards Gala held at the Sheraton Washington North Hotel in Beltsville, MD in December.

Silver Level: \$1,000.00

Mr. John Gordon Mr. Allen Jackson

Bronze Level: \$500.00

Dr. John E. Garnette Rev. John Waymmann

Featured with their wives are Men of the Ivy contributors: Rev. John Waymmann and Kathy; Dr. John Garnette and Cheryl; Mr. John Gordon and Zelmar; and Mr. Allen Jackson and Shirley.
